

# SMART EDUCATION

Innovative teaching methods to enhance learning outcomes

# INTRO

- PROJECT OBJECTIVE
- PROJECT STATEMENT
- SCOPE OF PROJECT
- METHODOLOGY
- TECH STACK

**OBJECTIVE**

**BLENDED  
LEARNING  
TO OVERCOME  
INADEQUATE  
INFRASTRUCTURE**

# STATEMENT

By combining blended learning (where face-to-face teaching is combined with online learning) with real-time data, we can get rapid feedback in classrooms and use that feedback to further enhance the quality of education.

# SCOPE

## Intuitive online platform

Adaptive algorithms analyze real-time performance data.

## Dashboard providing insights

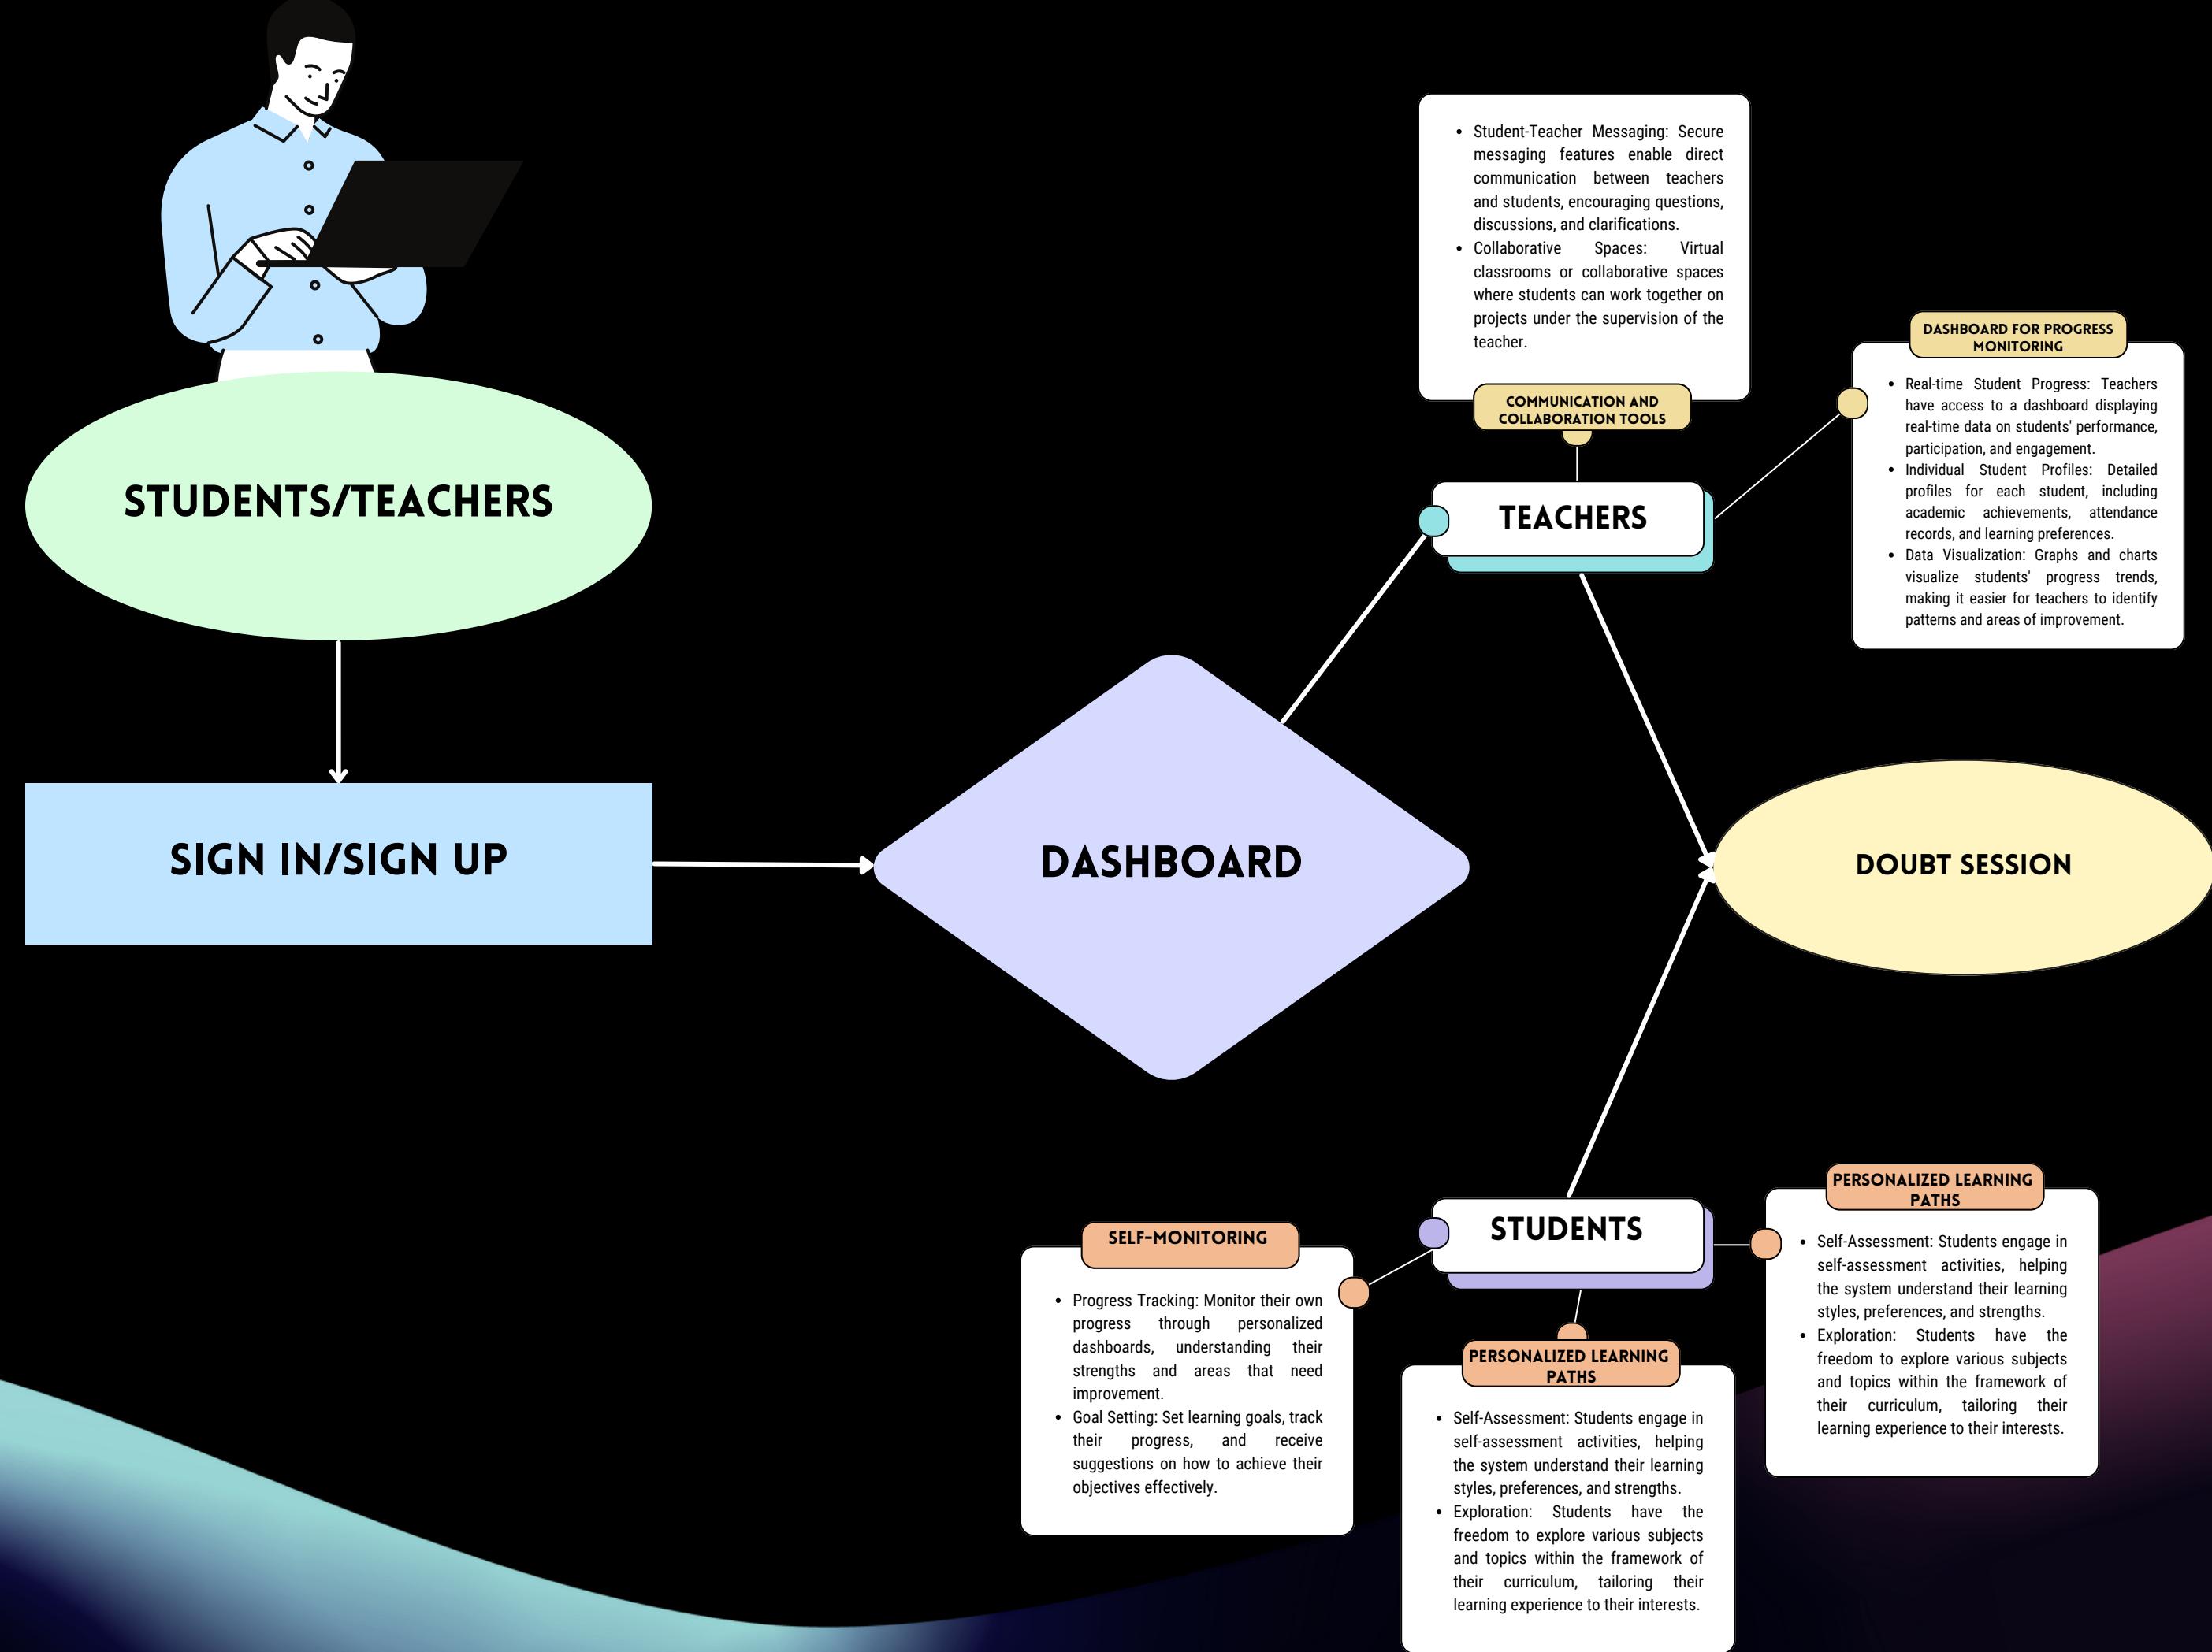

Ensuring no student is left behind.

## Learning experience

Videos, simulations, and interactive quizzes.

## Rotational model

Direct teacher interaction, online tasks, and collaborative projects.

## *Tech Stack*

### **Frontend**

React.js or Vue.js for building the user interfaces of the web portal. Redux, HTML5, CSS3, JavaScript

### **Backend**

Node.js/Python, Express.js, Django

### **Database**

PostgreSQL/MySQL /MongoDB, Blockchain

### **Real-time Functionality**

Web socket, socket.io  
Real-Time Updates and Notifications (WebSockets)

### **Cloud Services**

Amazon Web Services (AWS) or Microsoft Azure

### **AI & Machine Learning**

TensorFlow or PyTorch, Scikit-Learn, NLP

### **IoT Integration**

Raspberry Pi/Arduino Collaboration and Version Control(Git/GitHub)

### **Security**

security measures like HTTPS, security headers, and firewalls with data protection regulations (e.g., GDPR, HIPAA) to ensure data privacy.SSL/TLS, Oauth, OWASP ZAP

# PROF. ABHISHEK SINGH

Head of AIML Program | Certified Python  
Educator | Certified Process Mining Educator

- Ujjwal Shihhare
- Vedika Pathak
- Dhwani Sahu

The background features a dark, solid black area at the top and bottom. In the center, there are two prominent, rounded, horizontal bands. The upper band is a vibrant magenta/pink color, while the lower band is a bright cyan/blue color. Both bands curve slightly, creating a sense of depth and motion.

THANK  
YOU!
